supply will arrive on the same day. Aid vision has also confirmed that they will continue to operate the Kahda site voluntarily as the project ended on Sep-18.

## ACF

**ACF** has shared with the cluster that they have extra 32 cartons of F75 for donation which its date of expiration is near, and requested from the cluster to assist if there is partners those are in need and can receive these supplies before its expiration.

## YOUTHLINK

**Youth link** has shared with the cluster that they are still in gap of their previous school feeding program at Garasballey of Deynile and Kaxda Districts.

## SAVE THE CHILDREN

**SCI** has updated the Cluster that they are facing Supplementary Plumpy shortage for their site in Shabelle IDPs of Dharkinly District.

SCI has correspondingly requested to transfer MAM cases to partners working at the area until they get these supplies.

## SORRDO

**SORDDO** has updated the Cluster that yet their PD to UNICEF has not signed and OTP activities in Warta Nabadda are still in gap as they did not received any supplies from UNICEF.

## Action Point 2:

SORRDO should share email with FMOH which they are requesting OTP Supplies from UNICEF.

## Action Point 3:

Nutrition Cluster will make follow up to IRC's resilient project and confirm if they can cover Jamhuriya Village.

## Action Point 4:

SCI will transfer the MAM cases coming to their Shabele IDPs of Dharkinley District to the nearest Nutrition Sites.
