Displacement data – conflict areas to Arghanjkhwa, Argo, Darayem, Jorm, Keshm, Kohestan, Shar Borug and Wardoj districts with different villages.

Number of households assessed – 235

Number of households eligible under ERM assistance – 102

COORDINATED RESPONSE

- **Food** – WFP two-month food ration in-kind to all 102 households.
- **NFIs** – UNHCR to provide NFIs in-kind to all 102 households.
- **Shelter** – ACTED will provide 2,000 AFN Cash for all 102 households.
- **WASH** – DACAAR to provide wash kits and conduct wash activities to all 102 households.
- **Health** – no response planned yet.
- **Protection** – Not any serious protection cases reported for this caseload.

Market assessment – Badakhshan Shar-e- Jadid market. Functional, accessible and with availability of NFI and food goods.

ACTED RESPONSE

Humanitarian Aid
and Civil Protection

- **ACTED Caseload number** - B092
- **ACTED Response** - 2,000 AFN for 102 households. 204,000 AFN for all caseload.
- **Response rationale** – None of the assessed families are living in owned houses. The majority of them are renting or being hosted by relatives (84%). Some of them are living in makeshift shelters (16%). Cash assistance will support them to reach or maintain a dignified housing option until they are able to return.
