SYRIAN ARAB REPUBLIC

BASELINE LOCATION PROFILE, Community Level

FORM QUESTIONNAIRE │ Version: 5.0

Needs & Population Monitoring (NPM)│

GUIDELINES AND INSTRUCTIONS

- Objective of the baseline is to identify affected population categories in Syria based on mobility and on lowest geographical level possible.
- Researcher should be familiar with the Community that is subject of observation. (Village, Small town, or the neighbourhood of the Capital City – Hay.
- Review existing knowledge of location and categories of affected population and their number in the Comunity. Make notes and identify key informants from different organizations or population groups that can help get latest reliable information.
- **Key question: Are there diferent population categories-groups in this comunity? Population categories-groups are defined based on mobility (moved out, moved in from elswhere, residents that changed shelter if beeing afected, residents that did not change shelter)**
  Questionnaire is just a tool to record the information. In discussion with key informants the researcher should get the best possible information on the topics in the form.

WHERE?

- LIST different TYPE OF SITE/RESIDENCE by population category for affected, returnees and internaly displaced.

WHO?

- 1.Current Resident population AFFECTED (damaged shelter and /or moved in another building/shelter in the same location):
- 2.Current Resident population NOT affected (not damaged shelter and NOT moved -remained in same residence):
- 3.Resident population that FLED and not returned (left the location) to another location WITH IN SYRIA (currently absent from the location):
- 4.Resident population that FLED and not returned (left the location) to another location OUT of SYRIA (currently absent from the location):
- 5.RETURNEES of the resident population that fled and returned to the location (currently present in the location):
- 6.INTERNALY DISPLACED SYRIANS that arrived in the location since 2011 (currently present in the location):
- 7.INTERNALY DISPLACED NON Syrians that arrived in the location since 2011 (currently present in the location):

HOW MANY?

Best estimate of number. Use always average 5 members per household. Try to find out if there is any count or list, record keeping population groups in the the locations.

WHEN, TO WHERE and FROM WHERE?

- Time of mobility event by year
- Origin and destination based on mobility event

FOR FOLLOW UP

If Key informant agrees please provide name. Contact will be ussed for folow up site assessment on conditions and needs of affected population.

C. TIMELINE: Year of mobility event population categories

1. Year when majority of the population FLED the location to another location WITH IN SYRIA (cat:3)	2011	2012	2013	2014	2015
2. Year when majority of the population FLED the location to another location OUT of SYRIA (cat: 4)	2011	2012	2013	2014	2015
3. Year when majority of the RETURNEE population returned to the location (cat: 5)	2011	2012	2013	2014	2015
4. Year when majority of the DISPLACED population arrived to the location (cat:6&7)	2011	2012	2013	2014	2015

Needs & Population Monitoring

D. DESTINATION & ORIGIN: From where, by mobility event and population categories

	Governorate	District	Sub-district	Place
1. WHERE TO majority of the population FLED the location to another location WITH IN SYRIA (cat:3)				
4. FROM WHERE in Syria majority of the DISPLACED population arrived to the location (cat:6&7)				

2. WHERE TO majority of the population FLED the location to another location OUT of SYRIA (cat: 4)	Country		Place	
3. FROM WHERE majority of the RETURNEE population returned to the location (cat: 5)	Out of Syria Country		With IN Syria Gov.	

E. TYPE OF SITE/RESIDENCE by population category, list where Population category 1, 5,6 is living (please assort them according to the majority 1st, 2nd and 3rd) DON'T include category 7 , and if all Category 5 returned to their own original houses just ignore and indicate where category 1 and category 6 is living.

	Type of Temporary Settlements for Affected Pop.	Exist	#Units	Pop. Cat. 1,5,6	#HHs	IND	DNK
1	In **village/town**, using rented accomodation (consider only 1,5,or 6 pop. cat)	Y N		1st:			Un
				2nd:			Un
				3rd :			Un
2	In **village/town**, with host families no rent fee (consider only 1,5,or 6 pop. cat)	Y N		1st:			Un
				2nd:			Un
				3rd :			Un
3	In village/town, using unfinished abandoned buildings or public spaces (consider only 1,5,or 6 pop. cat)	Y N		1st:			Un
				2nd:			Un
				3rd :			Un
4	In **formal collective shelters** (schools, public buildings, vacated, etc…) (consider only 1,5,or 6 pop. cat)	Y N		1st:			Un
				2nd:			Un
				3rd :			Un
5	In **informal collective shelters** (schools, public buildings, vacated, etc…) (consider only 1,5,or 6 pop. cat)	Y N		1st:			Un
				2nd:			Un
				3rd :			Un
6	**Camps,** organized and structured (consider only 1,5,6 or7 pop. cat)	Y N		1st:			Un
				2nd:			Un
				3rd :			Un
7	**Camps,** self settled "camps" (consider only 1,5,or 6 pop. cat)	Y N		1st:			Un
				2nd:			Un
				3rd :			Un
8	In their OWN house (consider only 1,5,or 6 pop. cat)	Y N		1st:			Un
				2nd:			Un
				3rd :			Un

F. KEY INFORMANT DETAILS

If Key informant agrees please provide name. Contact will be used for follow up assessment on population conditions and needs.

For Column C. Type use: **1**.NGO/Humanitarian Aid Worker; **2**.Community Based Organization Leader; **3**.Community Leader; **4**. Health Worker **5**. Religious leaders; **6**.Teachers; **7**. Trader/Shopkeeper; **8**.Local administration; **9**. Military Commander; **10**. Social Worker; **11**. Group Leader of IDP's; **12**. Other, please specify in contact column.
