Date of Incident: 05-Feb-17

Date of Assessment: 07 to 09 Feb 2017

Date of Distribution: 12 to 20 Feb 17

Subject: Assessment of Rain Fall affected families in all districts of Kunar province.

Incident Source of Information: ANDMA

Assessment and Distribution conducted by:

- Zabihullah Ameen(IOM)
- Kunar DTM Staff
- Salahuddin (WFP)
- Atiqullah (ARCs)
- Ihsanullah Ihsan (ANDMA)
- NRC, RRD, District Authorities

Incident Summary:

Initial information was obtained from Kunar ANDMA and indicated that 163 families have been affected in all districts of Kunar province by heavy rain fall incident, Kunar ANDMA called OCT meeting and during the OCT meeting all districts of Kunar province divided by 4 parts & assigned different organizations to identify the accurate figures of the affected families & their needs on time & very quickly, **PART 1:** IOM, WFP, ANDMA with districts authorities assign to assess Asadabad, Asmar, Shigal, Watapur, Marawara districts, **PART 2:** IMC was assign to cover Sawkai, Nurgal, Dara Peach, Chapa Dara, , **PART 3:** ARCs was assign to cover Ghazi Abad, Nari, Dangam Districts, **PART 4:** NRC was assign to cover Narang, Khas Kunar Districts, **PART 5:** ANDMA was assign to cover Sarkano district, as well humanitarian actors present the capacity for their relief items, only IOM has the winterization items among the humanitarian agencies were presence in OCT meeting, therefore ANDMA requested from

IOM if other organizations observed any need to the winter items they will refer to IOM for gap filling. ANDMA & RRD added; if any partially damaged families found & not meets the UN, International Organization, and National NGOs Criteria, they can count you eligible for C Criteria, ANDMA will provide food packages & RRD will provide NFI packages.

Assessment Teams Observation:

According to the mentioned team observation & physically assessment, they found some families eligible for HAP criteria in all districts of kunar province, accurate affected figures & their needs were identified for NFI, Food, Shelter, Winter clothing items, Family Tents, as mentioned in incident summary each organization has the responsibilities for the given districts to assess & response the details is underneath.

Team 01 IOM: According to the assessment outcomes, IOM found in each district the following figures with the recommended assistance on district level.

1: in Asadabad district 7 families severely damaged & recommended by team for 7-BM, 7-FM, 7-WCM, as well 6-families more partially damaged.

2: in Shigal district 11 families severely damaged & one family of them completely damaged & recommended by team for 11-BM, 11-FM, 11-WCM, 01 Family Tent, as well 7-families more partially damaged.

3: in Asmar district 8 families severely damaged & 2 families of them completely destroyed & recommended by team for 8-BM, 8-FM, 8-WCM, 02 Family Tents, as well 6-families more partially damaged.

د مهاجرت نړیوال سازمان

4: in Watapur district 4 families found & recommended by team for 4-BM, 4-FM, 4-WCM, as well 4-families more partially damaged.

5: in Marawara district 4 families found & recommended by team for 4-BM, 4-FM, 4-WCM, as well 5-families more partially damaged.

Note: as mentioned above in each district team found some families partially damaged which not meets IOM criteria & their shelters were very slightly/partially damaged or the surrounding wall of their shelters damaged ANDMA & RRD wish to count under C category & they will count eligible for small NFI & food package, it should be noted in Asmar district for two completely destroyed families already ANDMA provided two tents.

Team 02 IMC: According to the assessment outcomes, IMC found in each district the following figures with the recommended assistance on district level.

1: in Dara-i-Peach district 15 families severely damaged, two families of them completely destroyed their shelters & recommended by team for 15-Household kits, 02 family Tents, 15-WCM, as well 25 families more partially damaged.

2: in Nurgal district 5 families severely damaged, recommended by team for 5-Household kits, 05-WCM, as well 01 family more partially damaged.

3: in Chawkey district 09 families severely damaged, one family of them completely destroyed their shelters & recommended by team for 05-Household Kits, 01 family Tent, 05-WCM, as well 4 families more partially damaged.

4: in Chapadara district only 08 families partially damaged, it is not meet IOM criteria recommended for ANDMA/RRD for their small packages of NFI/Food.

Team 03 ARCs: According to the assessment outcomes, ARCs found in each district the following figures with the recommended assistance on district level.

1: in Ghaziabad district 02 families severely damaged, one family of them completely destroyed their shelter & recommended by team for 2-Household kits, 01 family Tent, 02-WCM, as well 11 families more partially damaged.

2: in Dangam district 13 families severely damaged, two families of them completely destroyed their shelters & recommended by team for 13-Household kits, 02 Tents, 13-WCM, as well 01 family more partially damaged.

3: in Nari district 15 families severely damaged, one family of them completely destroyed their shelter & recommended by team for 15-Household Kits, 01 family Tent, 15-WCM, as well 6 families more partially damaged.

Team 04 ANDMA: According to the assessment outcomes, ANDMA found in Sarkano district the following figures with the recommended assistance.

1: in Sarkano district 03 families severely damaged, one family of them completely destroyed their shelter & recommended by team for 3-Household kits, 01 family Tent.

Team 05 NRC: According to the assessment outcomes, NRC found in each district the following figures with the recommended assistance on district level.

1: in Khas Kunar district 02 families severely damaged, recommended by team for cash assistance per beneficiary 20000-AF (covering NFI+Food+WCM) as well one more family partially damaged.

2: in Narang district 02 families severely damaged, recommended by team for cash assistance per beneficiary 20000-AF (covering NFI+Food+WCM), as well 5 families more partially damaged.

Water and Sanitation:

Based on the assessment team observation they have clean water source for drinking & washing, but the clean water source inside the village not sufficient to complete their need in some seasons, when they face with lack of water they goes little far from the village only for clean water.

Shelter:

According to the team observation they found some shelters destructed rain fall, the figures of the destructed shelter were mentioned above on categorize level, such as completely, severely & partially damaged, some of the families noted they have no sufficient cash for the reconstruction or any other sources, we always noting in RAF form the reconstruction of the shelters remaining as gap,

Food: These families are getting food from market, and also most of the families have income from their agriculture lands, daily wages, but this income is not sufficient to meet the need of affected families, and after the disaster they lost their food stock inside the house therefore team recommended them for food assistance.

NFI and Household Items:

According to physical check they have not sufficient materials to solve their problems, therefore they recommended for nonfood items, some families we noted which have more than 7 family members our NFI kit contents cannot cover their need.

Health and Hygienic:

Residents of the mentioned districts have access nearest BHC clinic and as well there are available district level DHC clinic too, their primary/basic needs covering these clinics, in case of any serious medical case they referring the patients to capital of Kunar provincial hospital or Jalalabad.

Education:

Schools are available in the village they have primary and High School on District level for male and females, no any school damaged due to the incident,

all girls and boys go to school as usual, but some villages not near to the School, they goes very far for learning.

Distribution of IOM NFIs and Outcomes:

- **IOM distribution:**

IOM distributed 40 Family module kits, 40 Blanket module kits, 95 Winter Clothing Module Kits, 01-Family Tent in Asadabad, Asmar, Shigal, Watapur, Marawara, Dara-i-Peach, Nurgal, Chawkay, Dangam, Ghazi Abad, Nari districts of Kunar Province on 12 to 20-Feb-17.

Assistance by Other Organizations/Agencies:

- **IMC distribution:**

IMC distributed 25 household item kits, 03 Family Tent, 25 Solar light modules in Chawkay & Nurgal, Dara-i-Peach districts of Kunar.

- **ANDMA/RRD distribution:**

ANDMA & RRD will distribute 93-food packages & RRD will distribute 93 NFI packages only for the partially damaged families in all district of kunar, as well 2 tents in Asmar & 01 tent in Sarkano

- **WFP distribution:**

WFP will distribute food for 95 families in all districts, it is only for completely & severely damaged families, not for partially as mentioned above partially affected families will assisted by ANDMA/RRD.

- **ARCs distribution:**

ARCs distributed 30 household item kits, 04 Family Tents, in Dangam, Ghaziabad, Nari districts

- **NRC distribution:**

NRC will distribute cash 80000-AF to four families per beneficiary 20000-AF in Khas Kunar & Narang districts.
