<p>c. Additional Protection Updates</p> <p><i>Comment:</i></p> <ul style="list-style-type: none"> -current data is not sex/gender disaggregated -current data has no focus on diversity -availability of secondary would be most helpful in the first 2 weeks of the emergency <p>Action point:</p> <ul style="list-style-type: none"> -Refer case in Isabel, Leyte to NCIP 	<p>including livelihood opportunities for women</p> <ul style="list-style-type: none"> -Activating the VAW desks in barangays targeting 22 barangays Community initiatives still being discussed • A 2-day training on Clinical Management with 45 participants in Borongan was conducted, they will also be given supplies. • Inter Cluster Working Group Meeting approved the establishing of a gender focal point in all clusters <p>UNHCR reported on the following:</p> <ul style="list-style-type: none"> • Guidance note on HLP prepared by HLP-WG shall be uploaded in the website; humanitarian agencies are encouraged using this note. • Forthcoming Publication of the ACAPS secondary data review. Will be shared with the PC members. • The PC co-chair and OHCHR met with DSWD Undersecretary for Operations and Programs Group (Parisya Hashim-Taradji), shared the final version of the SRP, discussed the displaced population figure; on the role of DSWD in the selection of beneficiaries and other protection questions related to the Bunkhouses; and on the suggestion to have a PC central hotline for protection referral pathways. • DSWD requested that the referral mechanism be system operated, related to an adequate inventory of the various services that would follow up on the protection incident; that there be a timely response to the protection incident reported; to include adequate monitoring, opportunity for feedback on the response; and that a thorough protocol be put in place. It was also suggested that the PC first provide feedback on identified protection gaps in the Bunkhouses. • In Estancia, Iloilo the PC facilitated the dialogue between the residents (who were forcibly displaced due to oil spill and Yolanda) and the landowners; PC also distributed non-food items • Roxas hub expanded its coverage to include 4 municipalities of Negros Occidental including the Malabo Island that is densely populated but had received less services • In Isabel, Leyte which is covered by Ormoc hub, PC assisted 75 families of indigenous peoples (Badjao who migrated from Mindanao 25 years ago) who were prevented to return to their places of origin which turned out to be privately owned. PC facilitated dialogues between the IPs and the local government; case is referred to NCIP • In Tacloban where 9,000 people are occupying schools as evacuation centers, UNHCR/UNICEF/IOM provided tents to decongest schools • For the Cebu hub, PC will go to Bohol to assess the earthquake and Yolanda affected communities and is ready to provide NFIs where necessary
<p>04. Issues discussed</p>	
<p>1. Protection Brief</p>	<ul style="list-style-type: none"> • PC including the sub-Clusters provided their inputs; designed for the donor's visit but was not finalized yet

Action point:

-alert PC members to refer to the Protection Brief

2. On SRP funding

3. On Ageing, Disability Task Force

Action Point:

-ADTF will share with CPWG any psychosocial activity involving children

4. On Indicators

Action point:

-Contact details of each agency – submit to Erica
-PC to share to the members relevant documents related to 22 January reporting

5. On PC Trainings

6. On Bunkhouses (BH)

Action point:

- Details of the field reports to be shared to PC members for their reference especially if they are present in areas where there are protection concerns

- It will be in humanitarian website and shared via email once done
- Protection is only 24% funded; 46% overall
- Providing psychosocial support and established helpdesk in Ormoc hospital in coordination with Mercy Malaysia until May (not only elderly but all affected); HelpAge conducted trainings in Roxas, Guiuan and Tacloban
- Discussion was done, however, what was in the website is not the revised/final version, but in a separate document called the Monitoring Framework
- 22 January, 4 Output Indicators need to be reported on
- Rolled out training were conducted in different hubs, PC and sub Clusters were in close coordination; CHR discussed human rights topics while DSWD handled referral mechanisms
- In was training plus a dialogue between police, military, and civilian government including barangay captains and LGUs.
- In addition to Guiding Principles (GP), Inclusion was discussed; and IOM wants to add a topic on Trafficking
- Target participants are 1000; current number of those who were trained is almost 300. Training of Trainers (TOT) is planned to be conducted to cover more areas and participants.
- The PC negotiated with the AFP to have the GP as part of their curriculum; this is under discussion
- Monitoring through on-site visits and discussions with communities, Mayors and Barangay Captains have found some general protection findings, as well as specific cases. These highlight that there are varying approaches between municipalities and barangays towards the allocation of bunkhouses to affected families as a form of temporary housing.
- **Key protection concerns:** communication and consultation with communities, lack of safeguards to ensure fair selection processes, site planning, structural deficiencies guaranteeing privacy, safety and dignity, and access to services.
- **Monitoring/Interventions/Advocacy:** discussions with municipal governments are on-going, with UNHCR, OHCHR, and IOM engaging authorities to ensure that the bunkhouses are used in a way that safeguards the physical safety and legal rights of occupants and the host communities, with advocacy and recommendations tailored the specific

<p>7. On Vulnerability</p> <p>Action point: -PC will re-share to members the Vulnerability definition PLUS the OCHA categories for comments and finalization</p> <p>8. On Key Messages</p> <p>9. Protection cluster referral mechanism project</p>	<p>circumstance of each case.</p> <ul style="list-style-type: none"> OCHA has categories of people especially to be reported for the SRP: <ul style="list-style-type: none"> -elderly heads of household (HH) -children heads of HH (under 18) -single female heads of HH -disabled heads of HH -HH with Family Access Cards -indigenous peoples -pregnant and lactating women -geographically isolated and disadvantaged areas (GIDA) The Communication with Communities (CWC) – there was a gap in the implementation of this initiative as the Workplan was not shared to the Clusters Information/messages is not being shared effectively in the field The Referral Mechanism will hopefully mitigate the gap in information at the field level. Initial information was shared on the project to have a protection cluster hotline that would be entry point for various referral pathways specific to different protection incidents, it would also serve to record and ensure response is provided to complains on protection service delivery (include SEA) and to collect and analyze data on protection incidents reported for further advocacy. This initial information sharing aimed at o receiving feedback and expression of interest to participate in a small group to work on this more in details, including on the scope of the issues dealt with.
