<input type="checkbox"/> Sar-e-Pul	<input type="checkbox"/> Takhar	<input type="checkbox"/> Uruzgan	<input type="checkbox"/> Wardak	<input type="checkbox"/> Zabul	<input type="checkbox"/> All Provinces

5. Project Beneficiaries

Beneficiary Category (Individuals):	Men	Women	Boys	Girls	Total
1) Health affected by conflict	#	#	#	#	#
2) IDPs Newly Displaced by Conflict	#	#	#	#	#
3) Prolonged IDPs (Protracted Needs)	#	#	#	#	#
4) Natural Disaster Affected & Displaced	#	#	#	#	#
5) Refugees	#	#	#	#	#
6) Returnees	#	#	#	#	#
7) Public Health at Risk (Communities in White Areas)	#	#	#	#	#
8) Malnourished	#	#	#	#	#
9) Severely Food Insecure	#	#	#	#	#
Overall Number (Envelope) of Beneficiaries	#	#	#	#	#

6. Relevance to Cluster Objectives

Emergency Shelter & Non-Food Items Cluster:	
1) Persons displaced and/or affected by conflict have adequate protection from the weather & privacy for family life.	<input type="checkbox"/>
2) Persons displaced and/or affected by natural disaster have adequate protection from the weather and privacy for family life.	<input type="checkbox"/>
3) Responses by ESNFI cluster members are informed by accurate assessments to allow contextual analysis and appropriately targeted interventions.	<input type="checkbox"/>

Project Sheet Afghanistan 2016 Humanitarian Response Plan

Food Security and Agriculture Cluster:	
1) Save lives and restore the livelihoods of conflict induced IDPs, refugees and returnees.	<input type="checkbox"/>
2) Save lives and restore the livelihoods of natural disaster affected people.	<input type="checkbox"/>
3) Ensure access to food during lean season for severely food insecure at risk of acute malnutrition.	<input type="checkbox"/>
4) Strengthen emergency preparedness and response capabilities of FSAC partners.	<input type="checkbox"/>
Health Cluster:	
1) Provision of effective trauma care and mass casualty management to conflict and natural disaster affected people.	<input type="checkbox"/>
2) Ensure access of displaced populations, refugees, returnees and people residing in white conflict areas to emergency health services.	<input type="checkbox"/>
3) Provide immediate lifesaving assistance to those affected by public health outbreaks and natural disasters.	<input type="checkbox"/>
Nutrition Cluster:	
1) The incidence of Acute Malnutrition is reduced through Integrated Management of Acute Malnutrition among boys, girls, pregnant and lactating women.	<input type="checkbox"/>
2) Enhance the prevention of Acute Malnutrition through promotion of Infant and young child feeding (IYCF) and micronutrient supplementation.	<input type="checkbox"/>
3) Quality community and facility based nutrition information is made available for programme monitoring and timely response.	<input type="checkbox"/>
Protection Cluster:	
1) Strengthen the protection environment through monitoring of violations, evidence-based advocacy, targeted engagement with duty-bearers, and coordinated and timely protection assessment.	<input type="checkbox"/>
2) Respond to acute and evolving protection needs, and restore the dignity of conflict and natural disaster-affected populations, especially of the particularly vulnerable, including the displaced.	<input type="checkbox"/>
3) Create a protection-conducive environment to prevent and respond to forms of physical harm, violence, abuse & exploitation.	<input type="checkbox"/>
Water, Sanitation and Hygiene Cluster:	
1) Ensure timely access to a sufficient quantity of safe drinking water, use of adequate and gender sensitive sanitation facilities and appropriate hygiene practices.	<input type="checkbox"/>
2) Ensure timely and adequate assessment of the WASH needs of targeted populations in need.	<input type="checkbox"/>
3) Two-year transition of cluster leadership to Ministry of Rural Rehabilitation and Development set in motion.	<input type="checkbox"/>
Refugee and Returnees:	
1) Protection interventions provided to refugees.	<input type="checkbox"/>
2) Essential services delivered to Afghan Refugee Returnees while pursuing durable solutions.	<input type="checkbox"/>
3) Immediate humanitarian needs for vulnerable refugee returnees, undocumented returnees, deportees are met.	<input type="checkbox"/>
