

1. Business Arising

CWC shared the minutes of the meeting and the action points based on the identified priorities on Child Protection. Significant updates were also reported during the meeting:

CP Priorities	Discussion	Action Points
Reach of the Referral Pathway	<p>PNP reported that the visual templates of the CP Referral Pathway were uploaded in WCPC pages with 240 readers / liker (as of reporting).</p> <p>PNP WCPC are also on standby to respond to comments/ reports in the posted materials.</p> <p>UNICEF suggested the PNP WCPC to issue a memo to local police stations to display the visual templates on precincts.</p> <p>Post on victim blaming were likewise posted online. Other social media cards are to be shared for wider dissemination.</p>	CWC to send its official request asking the PNP WCPC to post / upload this in Police Precincts. As soon as it is received, the WCPC memo to order the posting of these materials in police stations.
	<p>DILG currently drafting an advisory on the use of the referral pathway. – for signature / approval.</p> <p>This will also be referred to DILG's Public Affairs and Communications Service for clearance/ posting in DILG FB page.</p> <p>DILG – NBOO will only send the CP referral pathway since the Case Management Protocol were disseminated several times at the local level.</p>	Noted.

The link for the revised Referral Pathway layouts along with the photoshop editable files were also provided for reference and use of the CPWG members and partners.

2. New Business

A. Updates from NCPWG members on COVID response and Reach on Child Protection RCCE materials

Agency / Organization	Updates	Key Agreements
DepEd	<ul style="list-style-type: none"> • June 19 – DO 12 s. 2020 Basic Education Learning Continuity, link provided in the meeting GC (https://www.deped.gov.ph/wp-content/uploads/2020/06/DO_s2020_012.pdf) <p>DepEd Learning Continuity Plan is primarily a home-based schooling, strengthening of parent / community roles of the child's continuity of learning. How will the barangay support the school, the parents, how we can capacitate para-teachers and parents to teach the children. Prevention of violence on children</p> <ul style="list-style-type: none"> • Enhancement of the CPP and the Child Safeguarding Policy, and the CP programs of DepEd • Posting and dissemination, webinars to promote learning continuity. 	To present the Basics of DepEd Learning Continuity Plan next CPWG meeting
Plan	<p>RCCE</p> <ul style="list-style-type: none"> • Plan public service announcements on COVID19 safety and protection, sexual reproductive health rights, child protection and safeguarding. Aired on eight radio stations (AM & FM) in Regions V, VIII and Cotabato City • The estimated reach is currently 2,625,875 individuals as of June 14. • Posted in various social media platforms (i.e. Facebook, Twitter, and Instagram) - cyber guardian parenting tips and tips on protecting digital identity and how to report online bullying and harassment through the Cyber Safe Spaces Project • Mental health guide for coping and wellness during COVID-19 <ul style="list-style-type: none"> o COVID-19 prevention (Youth Reporters - Raise Above Project in Western Samar) • Joint Press Release on the rising cases of VAWC and quarantines, calls for gender-responsive approach to COVID-19 Under the 	Noted.

Agency / Organization	Updates	Key Agreements
	<p>Girls Advocacy Alliance Project (Plan International, TDH, ECPAT and PKKK)</p> <ul style="list-style-type: none"> • Rapid Gender Assessment (RGA) findings and recommendations shared through webinar and meetings with donors, stakeholders (NGAs, CSOs) – collaboration with GBV sub-cluster • Webinar for Journalist with Internews – Title: COVID-19: How the Media can Remember Gender – with Rappler and FMA, and Plan International <p>Program Response Activities</p> <ul style="list-style-type: none"> • Cash and Voucher assistance reached a total of 28,086 families composed of 147, 632 individuals (74,625 females and 73,007 males) in Plan sponsorship areas in Regions V and VIII. Of this number 6,695 families received food assistance particularly Mindoro PAs with 6,575 families and Camarines Sur for Tisoy 120 families • Reporting and Referral Pathway Orientations – A total of 38 barangays in Plan sponsorship areas (33 from Central Mindanao and 5 from Northern Samar) oriented on the reporting and referral pathways. reproduced reporting and referral pathways tarpaulins (96 pcs), posters (400 pcs), foldable fans (500 pcs), brochures (1,000 pcs) and booklets (200 pcs) on PSHEA/Safeguarding and COVID in Western Samar • NCPWG Reporting and referral Pathway – 5 Municipalities and 72 barangays oriented and 80 tarps. Reproduced in Plan Program area in Eastern Samar Province • Psychosocial Support services for COVID 19 provided by PsychConsult to project beneficiaries (young people and adults) in Manila and Quezon City under the Cyber Safe Spaces Project • Assisted 2 cases of Online sexual abuse in West Samar and 5 cases of child abuse in Occidental Mindoro 	
CWC	<ul style="list-style-type: none"> • Participation to the MCC Protection Cluster Meetings • Dissemination of the CP, H&N Referral Pathway (esp. DILG and PNP WCPC) Posting to official social media account 	Noted.

Agency / Organization	Updates	Key Agreements
	<ul style="list-style-type: none"> 3rd Quarter – 2020 SOFCR to focus on OSEC and with an added feature to highlight children’s situation during COVID 	
UNICEF	<p>RCCE</p> <ul style="list-style-type: none"> Finalized the comics on JJ, VAC, PSEA developed together with CHR, JJWC CWC and selected members of NCPWG. These are currently being printed including those materials for food packs. Some of the materials were sent directly to the regional offices There are additional RCCE materials for finalization within the week including those on confidentiality protocols. Conduct participatory video training or staff and community members. – to brainstorm with people how to document experience on VAC and other CP Issues, how they can share their experience. Google folder is available in UNICEF where RCCE materials are available for posting, reposting, edited. Public Service announcements can also be used for community activities including flyers. CHR and DSWD to distribute through their field offices <p>Child Protection Response / Continuity of service</p> <ul style="list-style-type: none"> Capability building for social workers and community service providers All five modules implemented, with 2,052 webinar completers for case management module; and 5,942 webinar completers for the parenting module. Integration of CP principles in government issuances. Continuing dissemination of the CWC-DILG Joint Memo Circular on Child Protection in COVID context, including coordination to ensure that the addendum is released. TA to Juvenile Justice Welfare Council to ensure early and safe release from detention of children in conflict with the law. As of 30 June, 4285 helpline callers provided with lifesaving information on MHPSS and case management (planning better access to adolescent MHPSS, explore partnership with BB163) UNICEF met with DepEd on how to collaborate and promote parenting program. 	<p>CPWG members to encode the reach in the online monitoring matrix.</p> <p>Convene a core group on this to further assist DepEd to support the link of Education and CP</p>

Agency / Organization	Updates	Key Agreements
	<p>MHPSS and PFA will be part of the teachers training</p> <ul style="list-style-type: none"> • UNICEF agreement with Child Protection Network is currently being developed to facilitate better access to multi-disciplinary services for children survivors of abuse in the context of COVID pandemic. This would include digitalize telemedicine services for mental health, medical follow-up and case management to increase access to services and to do it safely for both patient and service provider; develop satellite services in 25 hotspot barangays in 8 cities; and make necessary structural and engineering changes at PGH-CPU to make it safe for patients and service providers onsite. UNICEF continues the dialogue with Parenting for Lifelong Health, Rapid Pro team and the Department of Social Welfare and Development to disseminate structured parenting messaging to 4 ml beneficiaries of the 4Ps, the Government's conditional cash transfer programme. 	
PNP WCPC	<ul style="list-style-type: none"> • Proactive rescue operation is continuous. Directive on investigation is fully implemented. • Form March 15 to June 30 – 96 rescued victims, different cases. <i>(This does not include regional accomplishments)</i> • For advocacy and public information, there is a social media team in charge in boosting PNP social media accounts. PNP offered to use their social media accounts for dissemination of messages from the CPWG members. • PNP reported the decrease of VAWC cases during COVID compared to last year. But this report needs to be cross-checked on how data is being generated e.g. when did the incident happen, how it was reported, etc <p>PNP WCPC share that a Validation Workshop on the Development of PNP Child Protection Policy will be held this 3rd quarter.</p>	CWC and UNICEF to receive specific details of cases rescued so that we can help analyze the data. (PNP shared these reports during the meeting).
DILG	<ul style="list-style-type: none"> • Issuance of Advisory to monitor incidence of VAWC – monitoring results • Addendum is already available, shared to CWC and CPWG colleagues 	DILG to email the copy of the monitoring results

Agency / Organization	Updates	Key Agreements
	<ul style="list-style-type: none"> • Gathering of IEC materials to be sent in bulk to DILG regional offices but the visual template on the CP referral pathway will be sent in advance. A Google Drive will be used to store these materials. <p>Dr. Raffinan mentioned about the VAWC monitoring reports (covering March to May) submitted to their office. It was noted that there was no baseline data. Initially, she mentioned that the usual perpetrators are the immediate family members.</p>	
DSWD	<ul style="list-style-type: none"> • Attendance to a virtual meeting with SCP for DSWD’s identification and participation on the development and research of the Comprehensive Emergency Program for Children (CEPC) Toolkit. The toolkit is complimentary with the localized guide of the CEPC. CEPC Toolkit to be formulated includes: <ol style="list-style-type: none"> a. Assessment Tool b. Planning Tool c. Monitoring Tool d. Reporting Tool <p>Meeting with partner agencies to present the CEPC Toolkit within July.</p> <ul style="list-style-type: none"> • DRMB proposed meeting with PMB re: Reactivation of GBV sub-cluster and protection cluster (July 2020) in response to the Attendance to UNFPA High Level Presentation of Results and Findings Rapid Gender Assessment and Analysis (RGA) last June 26, 2020. • DRMB and NRLMB to review and discuss the proposal of NNC on the inclusion of fresh goods to the family food pack (FFP). • Establishment of a DSWD Mobile Kitchen which was delivered today, 2 July. Review of First Draft Terms of reference on the mobile kitchen is also on the works. 	Noted.
CFSI	<p>Protecting Vulnerable Children Project</p> <ul style="list-style-type: none"> • Distribution of Hygiene kits and relief goods 625 children in Pasay. • Mapping of 100 children (teen mothers), the packs will include RCCE materials on PSEA and VAC – to be distributed in July. 	Noted.

Agency / Organization	Updates	Key Agreements
	<ul style="list-style-type: none"> Monitoring matrix will be filled out as soon as the distribution is completed. 	
Save the Children	<ul style="list-style-type: none"> Ongoing PFA trainings for DepEd Tacloban and BARMM with DepEd DRRMS Finalization of Parenting and MHPSS Support Module Positive Discipline in Everyday Teaching – contextualizing the face-to-face training into online webinars, working with partner on this. To be rolled out in September. In Partnership with Ateneo Human Rights. Project Kamustahan on FB - Info on COVID, child rights, essay writing poster making to share their pandemic stories, it also aims at documenting child rights violations during pandemic Bahay Aralan for parents with 3-5 y/o children. 10-minute videos with different topics, available daily to support the child learning. This include topics on Positive Discipline. Donated tablets / WiFi in PBAs in Malabon for the children to communicate with parents Ongoing response in Taal, PFA for Service providers were recently concluded. 	
World Vision	<p>COVER</p> <ul style="list-style-type: none"> Monitoring of CP and PSS concerns in covered areas April to June 21 VAC reports / CP incidents, referred to LSWDO, continuous coordination for case updates. Conduct of case conference in Batangas, continuous monitoring of others Increasing reports on suicide, community reporting suicidal notes, thoughts of children in Western Visayas - Mentor-mentee of Region 6 and WV , to plan for PSS messages and other interventions especially for adolescents Training for community volunteers and local partners on CP, PSS, PFA Reporting flowchart disseminated to 32 area programs and the RCCEs – 54,00 individuals Rapid impact assessment in covered areas - 42% parent caregiver physical / psychosocial management 84% worried, anxious, isolated feeling ng children – dissemination of PSS messages to provide support for children, planning to work with counselors for counseling 	WV to update the report matrix on the RCCE reach

Agency / Organization	Updates	Key Agreements
	<ul style="list-style-type: none"> Strategies on suicide prevention – WV developed IEC materials with available contact details whom they can call for support plus the presence of volunteers who can provide PFA 	
Childfund	<ul style="list-style-type: none"> Completed the CP Rapid Assessment, ongoing consolidation of the results. Fear of getting infected becomes the source of stress to children and parents, this will be the focus of CF programming Completed the disbursement of Cash Assistance <p>Continuation of distribution of Home-Based Family Activity Kits – Key Messages to Families including RCCEs from the CPWG</p> <ul style="list-style-type: none"> 43 local partner staff on MHPSS and PFA ready to provide services to affected population. MoU forged with 4 association of social workers. <p>Downloading of the Referral pathway is on the pipeline</p>	Childfund to share the results with the CPWG members
Balay	<ul style="list-style-type: none"> Ongoing Relief Operations in covered areas in Mindanao and NCR Online Kmustahan to BPA representatives – we shared child projects supporting campaign against VAC. 	Balay to disseminate the CP Referral Pathway to their network

B. Updates from the RC/ SCWC – CAR, Region IV-A, Region V, Caraga

Areas	Initiatives	Issues and Concerns
Child Protection	<p>Region IV-A</p> <ul style="list-style-type: none"> CHR IV-A resolved 17 cases of minors in coordination with PAO IV-A, DOJ IV-A, RJJWC Secretariat, DSWD IV-A, PSWDOs, and other concerned agencies. These cases were recorded by CHR IV-A since the implementation of the ECQ. Among these are curfew violation cases which were highlighted/reported through their social media accounts. Few other cases recorded include one (1) cyber libel case, 	

Areas	Initiatives	Issues and Concerns
	<p>cases on violation of RA 9165, sexual abuse, trafficking, abduction, and torture cases.</p> <ul style="list-style-type: none"> A total of 1409 violations committed by minors were reported to PNP IV-A from the period of March 17 to May 31, 2020. 1236 of these were from Cavite Province, 87 from Laguna, 73 from Quezon, 9 from Batangas, and 4 from Rizal. Most of these were related to curfew. Other violations include not wearing of masks, without quarantine pass, liquor ban, RA 9165, theft, and other minor violations. All of these cases have already been coordinated with the concerned agencies. <p>CAR</p> <ul style="list-style-type: none"> Baguio City Police Office filed child abuse case against the aunt and uncle of the 7-year-old child who died. CHR-CAR also investigated the case. <p>Region V</p> <ul style="list-style-type: none"> No reported curfew violations were monitored No reported CIAC and CAAC based on the report of 9ID and other PNP MPS even if there were armed conflict 	
Monitoring of COVID cases	<p>Region V</p> <ul style="list-style-type: none"> June 29 - cancellation of ferries due to declaration of a COVID19 positive arrived in Aroroy, Masbate last June 26. Provincial Government provided assistance to the stranded passengers in the port area 	<p>Region IV-A</p> <ul style="list-style-type: none"> As of June 22, 2020, there are 91 children out of 793 active cases. <ul style="list-style-type: none"> ✓ Laguna – 36 ✓ Rizal – 18 ✓ Batangas 17 ✓ Cavite – 12 ✓ Quezon – 8 The age group with the most number of cases are from 0-2, where the

		<p>transmission is mostly because of mothers who gave birth prematurely, placing a higher health risk both for the mother and the baby.</p> <ul style="list-style-type: none"> • 23 probable and 1657 suspected cases of children in Region IV-A <ul style="list-style-type: none"> ✓ Cavite – 17 probable and 439 suspect ✓ Laguna – 261 suspect ✓ Batangas – 3 probable and 608 suspect ✓ Rizal – 164 suspect ✓ Quezon – 3 probable and 185 suspect <p>CAR</p> <ul style="list-style-type: none"> • One (1) ten-year-old child tested positive in Baguio City. She is one of the close contact of one of the positive cases in the city. <p>Region V</p> <ul style="list-style-type: none"> • A 1-year-old boy admitted in Bicol Medical Center, Naga City. Both parents are COVID19 positive and almost all relatives in their house/compound, locally transmitted and exposed to LSIs • 2 confirmed case in Albay; 9-year old and 12-year old, both males. • Majority of the COVID19 positive patients came from Metro Manila or exposed to relatives from Metro Manila. There were also (LSIs) majority from Metro Manila (with Children no number reported) in Pio Duran, Albay going to Masbate • Asymptomatic 8-year-old female from Iriga City with travel history in Cebu City • 14-year-old male travel history in Quiapo, Manila and was exposed to a COVID19 positive relative of Balatan, Cam. Sur, admitted in Cam Sur Medical Center in Bula, Cam Sur
Advocacy -	Region IV-A • Continuous dissemination of RCCE materials to RSCWC members and partners through	

Areas	Initiatives	Issues and Concerns
	<p>e-mail and Facebook page. The PSWDOs are tasked to disseminate as well to their respective LGUs.</p> <p>Caraga</p> <ul style="list-style-type: none"> • RCCE were made available for RCWC members through a google drive and social media page • Dissemination of the CP Referral Pathway among 78 LSWDOs, posted in social media and uploaded in google drive • Month-long advocacy on OSEC, display of videos/ short clips in electronic billboard • Planned conduct on LCPC Online Caravan. A 3-hour discussion forum to be held on August 3-7. 1 province will be scheduled per day to revisit the LCPC functionality; identify children's issues and concerns during COVID pandemic and plans on how to address such; and enhance local monitoring system and data management on children • In observance to the World Day Against Trafficking, the RIACAT Caraga organized a Webinar on OSEC for Children with ages 10-17 (July 23), for Parents and BCPC Member (July 22), Police / WCPD and LSWDO (July 30). Poster-making contest related to OSEC during COVID Pandemic will also be held. This will involve elementary, high school and BCPCs. 	
Child Participation	<p>Region IV-A</p> <ul style="list-style-type: none"> • RSCWC Child representative participation to essay writing contest in relation to DOLE World Day Against Child Labor 2020 theme "COVID-19 	

Areas	Initiatives	Issues and Concerns
	<p>Sugpuin, Batang Manggagawa Sagipin"</p> <ul style="list-style-type: none"> • Invitation to attend online engagements (webinars/learning sessions, meetings, other child-friendly activities) are shared to the Regional child representatives and their school or community groups 	
Education	<ul style="list-style-type: none"> • Enrolment period is extended until July 15, 2020. • Lessons will be delivered through the following methods: <ul style="list-style-type: none"> ✓ Printed or digital modules, can also be picked up by their parents at designated places within coordinated schedules ✓ Online learning resources such as the DepEd Commons ✓ Television and radio-based instruction. • DepEd Central Office will provide for the framework, options, and resource support. • DepEd Regional Directors will decide on the learning delivery modalities deemed appropriate in the context of the local conditions and consistent with the COVID19 guidelines and regulations, upon recommendation of the School Division Offices, and consultation with the schools under their respective areas. 	<p>Region IV-A</p> <ul style="list-style-type: none"> • As of June 22, 2020, DepEd IV-A enrolled a total of 2,065,268 students (far from the 27M data of Kinder to Senior High School, and ALS learners).

3. Review of the CPMS Workshop Outputs

UNICEF informed that the workshop outputs were submitted to OCHA and UNHCR as a strategy for the new normal PH COVID Context. A brief presentation and review of the workshop outputs followed.

As a result of the review, the CPWG agreed to set a meeting of the 3 core groups (arranged in breakout groups) on 14 July, 1PM with the following agenda:

- Core group to incorporate child protection in DepEd capacity building for teachers.
- Core group to discuss Standard 15 adolescent MHPSS initiatives

- Core group to discuss Standard 17, including Localization of CEPC and response to RSCWC Caraga's request to invite a resource person from the NCPWG to shortly discuss CPMS Standard No. 17 and its specific strategies in the context of COVID19 pandemic during their LCPC Online Caravan in August.

4. Schedule of the Next Meeting

The NCPWG 8th Regular Meeting is scheduled on 2 July 2020, 1PM via Zoom.
