

1. Business Arising

CWC shared the minutes of the meeting and the action points based on the identified priorities on Child Protection. Significant updates were also reported during the meeting:

CP Priorities	Discussion	Action Points
Dissemination of approved referral pathway at regional and LGU level	The visual templates of the referral pathway were shared to the DILG and PNP for dissemination.	<p>CWC to follow up on PNP and DILG memos to facilitate posting of referral pathway nationwide</p> <p>PNP and DILG to share relevant updates on the reach of Referral Pathways in the next meeting.</p> <p>RCPWGs to send photos / documentation to form part of the reporting, to ensure that visibility of the protection cluster is reported in the entire COVID Response</p>
Updates from the NCPWG New Normal Guidelines	As agreed in the previous meeting, the CPMS core group convened last July 14. The workshop outputs of the 3 sub-groups were presented.	Need to discuss the development of user-friendly format of the New Normal Guidelines
	<p>a. DepEd Sub-Group should provide further inputs to the matrix and to identify priority activities which will be covered by the NCPWG. Contextualization of DepEd CPP was suggested as a priority. Given its current nature as offline, it has to be enhanced to adopt in the new normal context wherein majority of the engagement is online /remotely conducted. World Vision and Childfund volunteered to join the meeting of the subgroup on July 22.</p>	Special meeting on NCPWG support for DepEd (22 July, 1PM; DepEd to share zoom link)
	<p>b. Sub-group on Standard 15 – MHPSS on Adolescent identified mapping of existing MHPSS initiatives as their priority. They plan to map the existing modules and contextualize it for adolescents.</p>	Submit inputs on MHPSS mapping/ assessment and training materials (send to CWC/ RA, by 17 July COB)
<p>c. Sub-group on Standard 17 – Harmonization of training</p>	Support DSWD in convening a meeting to harmonize	

	<p>materials on how to localize the CEPC. NCPWG will support the DSWD in harmonizing the training design.</p> <p>RCPWG XI suggested the revision of prevention and response protocol in the DSWD CEPC Manual to consider procedures during COVID. It should also identify strategies on how to the DSWD-DREAMD, DILG and RSCWC can coordinate in capacitating the LGUs (LDRRMC and LCPC). CDRC is willing to help is cascading at the city/municipal and barangay level particularly in CDRC project areas.</p>	RA10821 & CEPC training design
