

PROGRAM TITLE : WEST KALIMANTAN FLOOD EMERGENCY RESPONSE
PROGRAM LOCATION : SINTANG & MELAWI REGENCY, WEST KALIMANTAN PROVINCE, INDONESIA
REPORTING PERIOD : 10-16 November 2021
SITREP NUMBER : 04
REPORTED BY : Caritas Indonesia

1. SITUATION DESCRIPTION

- A total of 12 sub-districts in Sintang Regency and 12 sub-districts in Melawi Regency, West Kalimantan (Kalbar) were submerged due to heavy rains which caused the water discharge of the Melawi River and Kapuas River to increase since October 21, 2021.
- In Sintang Regency, based on data compiled by PUSDALOPS BNPB, there were 7,545 families/25,884 people displaced in 32 evacuation points. The total affected people in Sintang Regency are ± 35,807 families / 124,497 people. A total of 35,1807 housing units were affected (in the data collection), 5 bridges were heavily damaged, 77 power substations were affected, 61 of which were still out. Floods in Sintang Regency claimed the lives of 4 people. The water level (TMA) is monitored in the range of 100-500 Cm. The Sintang District Government has established an Emergency Response Status for 30 days until November 16, 2021.¹
- In Melawi Regency, based on data compiled by PUSDALOP BNPB, there were 4 people died, 28,278 families / 108,455 people were affected, 753 of whom were displaced. A total of 27,621 housing units and 104 public facilities were affected in Melawi Regency. TMA is observed in the range of 100-400 cm. The Melawi Regency Government has declared an Emergency Response Status until November 15, 2021.²
- The data on refugees in 9 of the 12 affected subdistricts in Sintang Regency are:³

6	Tebelian River	25	284
7	Dark Game	63	252
8	Binjai Hulu	41	130
9	Downstream	18	67
Total		8,653	29,733

- Reports from the BPBD of Sintang Regency, several displaced person were affected by an outbreak of vomiting and asked for treatment at the nearest Puskesmas.
- The condition of TMA on Monday 15 November 2021 in the affected sub-districts in Sintang Regency is still worrying and widespread even though in some places the height has decreased to 50 cm.
- The BMKG has issued a warning for heavy rains for Sintang and Melawi Regencies which may have an impact on water levels in flood-affected sub-districts. This impact-based alert is in effect from November 16 to November 17, 2021.⁴

2. GOVERNMENT RESPONSE

- The Sintang District BPBD established the Main Command Post at the Regency BPBD Office. Sintang and established Field Command Posts spread over 5 points and refugee posts as many as 32 points.

⁴ <https://signature.bmkg.go.id>

- The Sintang Regency BPBD is trying to distribute blankets, ready-to-eat food, side dishes, masks, and refugee tents. In addition, evacuation facilities, such as boats and evacuation tents were also prepared.
- The BPBD of Melawi Regency monitors the flood situation and the condition of the affected residents and seeks distribution of logistics originating from the company and Pontianak.
- BPBD Melawi Regency opened a Command Post at SDN 6 Nanga Pinoh which provides health services, public kitchens, and refugee posts in the Command Post area

3. CARITAS RESPONSE

- From November 5 to November 16, 2021, Caritas Diocese of Sintang is assisted by Parish Volunteers, Congregations, Catholic Youth, Parish Volunteers, and Cross Commissions to distribute food logistics in the form of rice, cooking oil, canned food, and instant noodles as well as medicines.
- A total of 2,963 aid packages reached affected families in 21 villages in 8 sub-districts in Sintang district, and 3 sub-districts in Melawi district.

- Caritas Archdiocese of Pontianak supports Caritas Diocese of Sintang response by sending 6,000 kg of rice, 800 boxes of instant noodles, 1,200 liters of cooking oil. Caritas Archdiocese of Pontianak also supports the flood response carried out by Sanggau Diocese and supports the response of the soup kitchen carried out by the affected regional government, as well as collaborating with the TNI in terms of logistics distribution to the most difficult areas.
- Sintang Diocese supports food packages worth IDR50,000,000, Caritas Indonesia – KWI supports food aid worth IDR100,000,000, and the procurement of fiber boats worth IDR57,000,000. PSE – KWI also supports IDR50,000,000 for the procurement of fiber boats to help with logistics distribution.

4. URGENT NEEDS

The urgent needs in Sintang and Melawi Regencies are the availability of clean water, sleeping equipment, food ingredients (rice, cooking oil, sardines, instant noodles, shallots/white onions, salt), cooking fuel, toiletries, and emergency lamps.

5. COORDINATION

- Coordinate with Caritas Indonesia's ER-DRR unit regarding monitoring and follow-up needs, seeking a response with the support of the Caritas Indonesia network, and activating needs assessment volunteers for mapping post-emergency needs.
- Coordinate and collaborate with Caritas Archdiocese of Pontianak to fulfill logistics from Pontianak City.
- Caritas Sintang Diocese seeks a Caritas response that is coordinated with the BPBD of Melawi Regency and Sintang Regency.

6. MEDIA AND COMMUNICATION

The Archbishop of Pontianak Mgr. Agustinus Agus released aid to support the response of Caritas of Sintang Diocese and Sanggau Diocese. Logistics mobilization from Pontianak was assisted by Kodam XII Tanjung Pura

The Catholics Youth assisted by residents distribute aid in Tanjung Simba and Ella Pinoh
