Opening & Introduction	The GBVSC Chairpersons welcomed the meeting participants, appreciated their punctuality and active participation, as well as their usual support to the GBV SC. Opening remarks were followed by round of introduction.		
Presentation on GBViE Strategy	The introduction presentation to GBViE Strategy for MoPH Afghanistan presented by WHO based on need and request of EPR Unit of the MoPH, the GBViE Strategy was developed. The zero draft of the strategy is ready for discussion. The purpose of the strategy is to;	<ol style="list-style-type: none"> 1. WHO to conduct the wider consultations with all stakeholders and exhaust the consultation process 	WHO

	<ul style="list-style-type: none"> Assist health actors take necessary actions for the prevention of and response to GBViE. The strategy will also serve as a tool to advocate for more broad-based initiatives <p>The strategy aims to institutionalize GBV prevention and response in the health sector response to GBV for the MoPH staff.</p> <p>For further details, please see the presentation attached as annexes.</p>	<p>2. WHO to look for the convergence of the strategy and to avoid duplications with existing strategies/mechanisms</p>	
<p>2020 HNO/HRP</p>	<p>2020 Humanitarian Need Overview (HNO) and Humanitarian Response Plan (HRP) preparation process initiated by OCHA. REACH is conducting a very comprehensive multi-sectoral <i>Whole of Afghanistan</i> assessment for informed planning.</p> <p>Preliminary findings of the assessment to be shared with all members in end September 2019 that shall also kick start the planning process for Afghanistan. As part of the consultations, GBVSC shall also conduct consultations with the members together with the APC.</p>		
<p>Presentation on WFHS</p>	<p>UNFPA Gender Specialist oriented the members about the Women Friendly Health Space. A safe space is a formal or informal, static or mobile place, where women and girls feel physically and emotionally safe. It is a space where women and girls feel comfortable and can enjoy the freedom to express without the fear of judgment or harm. The topics covered in the presentation include;</p> <ul style="list-style-type: none"> - Historical Background - Key Objective - Guiding principles - How to establish and run WFS? Location, period, staffing size and name selection 		

	Full presentation attached as annexes.		
<p>AoB</p> <ul style="list-style-type: none"> - CMC updates - Co-Chair for GBVSC - Afghanistan GBV Strategy 	<ul style="list-style-type: none"> - As part of regular practice, GBVSC presented the total number of cases handled by FPCs in Kabul, Mazar-e-Shareef, Kandahar, Nangarhar and Bamyán. The details are in the presentation in annexes - Due to internal movements in the AIHRC, GBVSC Co-Chair Honourable Ms. Qadrya Yazdanparast is replaced. The GBVSC Coordinator is in the process to formally meet the new Women Rights Commissioner for further discussions. Considering the changes the GBVSC coordinator is suggesting of having two to three co-chairs (government, NGO and NGO/INGO). Further discussion on this matter to be considered in next meeting. - Afghanistan GBV Strategy is waiting for protection strategy to come out through the AoR GBVSC will have the GBV Strategy. 		
Next Meeting	The Next GBV-SC meeting would probably take place in fourth week of October 2019.
