Total		0	0	10,000	17,827		0	0	0	0	9 Organizations	0

Notes:

[i] Approximation based on estimated displacement level

[ii] According to OCHA PEV Contingency Plan 2012-2013

[iii] Based on Shelter/NFI sector 3/4W matrix results (December 2012)

*Samaritan Purse has only 10,000 tarpaulins hence needs more support for shelter KIT stored in Nairobi.

The change in numbers (in pipe line & Shelter) is due to adjustments made by different agencies followed by as a result of peaceful post election period. CRS reduced its planned NFI stock to 1000 from 5225 and 250 kits that were provided by UNHCR for the purpose of election will be taken back to the refugee program; while DRC the funding was diverted to other projects. Also to note is that the new gaps will be reflected once the KHRT has come up with new needs after the assessments. Currently we have 10000 tarpaulines stocked by Samaritan's Purse (Shelter) and 17827 NFI Kits stored by various agencies within the sector.

Summary	
House Hold	0
Existing NFI	17,827
Existing Shelter	10,000
Gaps Shelter	0
Gaps NFI	0
Pipeline Shelter	0
Pipelined NFI	40,837
