Agenda	Discussion	Action Points
Introductions	<p>Agenda:</p> <ol style="list-style-type: none"> 1. Welcome & Introduction 2. WTPs TWG feedback methodology 3. Gaps and challenges 4. Updates from Partners/targeted WTPs. 5. AOB 	
Welcome & Introduction	<p>Communication from Chair</p> <ul style="list-style-type: none"> • Participants: MC (Mohanad), OXFAM (Munthir), RIRP (Nazar), • In order to avoid none receiving WTP WG invitation by WASH partners, the meeting invitation will be announced through WASH Cluster to ensure that the invitation reaches all partners. • Partners should inform the cluster if their focal point person changed and informs the Cluster of the alternate person so that everyone can communicate with him/her. 	

<p>WTPs TWG feedback methodology</p>	<p>MC</p> <ul style="list-style-type: none"> • All information will be offline excel sheet, in order to avoid any deletion or duplication of information. • Lack of Chlorine supply to the west of Anbar areas that to be confirming with Anbar Directorate of water. • The group want to provide some training opportunities for WTPs operators through collaboration with Anbar water directorate. <p>RIRP</p> <ul style="list-style-type: none"> • There is miss coordination between Anbar Directorate of water and districts DoWs, as there is a great conflict in some of the information obtained from both sides especially Al-Qaim. • Most of Qaim WTP suffering from lack of fuel to operate the generators. 	<p>-It is totally recommended to make coordination between the partners in the area (OXFAM, RI, NRC, RIRP, PUI & UNICEF) with WASH Cluster & DoW to avoid duplication.</p> <p>-MC (Anbar WASH Cluster FP will coordinate with Iraq WASH Cluster and Anbar DoW to facilitate this training.</p> <p>- Mercy Corps offline excel sheet include all proposed, Planed, ongoing and completed WTPs that should be updated on monthly basis.</p>
---	---	---

Gaps and challenges	<p>MC</p> <ul style="list-style-type: none"> • Lack of cooperation of the local authorities in Al-Qaim regarding the names of Water stations that need intervention /rehabilitation. 	-TWG partners recommended coordinating with Anbar water directorate to overcome Al-Qaim Need lists.
Updates from Partners/targeted WTPs.	<p>MC</p> <ul style="list-style-type: none"> • MC Planning to rehabilitate 2 WTP in Haditha & 1 WTP in Qaim, • MC completed 1 WTP in Saqlawiyah, • MC have 1 WTP in Saqlawiyah in progress, • Great Ramadi Water Project, planning to work on it within next months, <p>OXFAM</p> <ul style="list-style-type: none"> • 5 WTP in Ramadi neighbourhood & 2 in Heet. 	
AoB	Activity info have to be updated in each month	
Next WASH Cluster Meeting Scheduled	Next WASH cluster meeting TBD
