Through the adoption of resolutions 2165 (2014), and its subsequent renewals 2191 (2014), 2258 (2015), 2332 (2016), 2393 (2017), 2449 (2018), 2504 (2020) and 2533 (2020) until 10 July 2021, the UN Security Council has authorized UN agencies and their partners to use routes across conflict lines and the border crossings at Bab al-Salam, Bab al-Hawa, Al-Ramtha and Al Yarubiyah, to deliver humanitarian assistance, including medical and surgical supplies, to people in need in Syria. As of 10 July 2020, based on resolution 2533, Bab al-Hawa is the only crossing open at this point in time. The Government of Syria is notified in advance of each shipment and a UN monitoring mechanism was established to oversee loading in neighboring countries and confirm the humanitarian nature of consignments.
**UN cross-border response**

Humanitarian supplies covering various sectors are delivered by UNHCR, UNICEF, UNFPA, WFP, WHO, FAO and IOM. The beneficiary numbers represent people reached by relief items and supplies transported in trucks using border crossing from Turkey as authorized by the resolution 2533 (formerly 2165 in 2014 and 2449 in 2018 and 2504 in 2020).

UN agencies, in addition to supplies, also implement programmes to ensure that people receive basic services such as education, health, nutrition, protection, water and sanitation etc. The first UN shipment from Turkey started on 24 July 2014.
