<tr>
<td>Incident</td>
<td>Due to the heavy clashes in the west of Tripoli area on April 13, 2020, the services of public health facilities, including Sabratha hospital, Surman hospital, the Oncology Hospital and Al-Ajaylat Hospital were suspended for an indefinite time. In addition, all previously functioning primary health care centers and private clinics stopped their services as well. Three ambulances, four transport cars were seized by armed people from Sabratha hospital.</td>
</tr>
<tr>
<td>Prior health facility condition</td>
<td>The health facilities were fully functional.</td>
</tr>
