

# Humanitarian **Response**

## Introducción

## ¿Qué es el Humanitarian Response?

- Un sitio web donde los actores humanitarios comparten información operativa
- Espacios personalizables para almacenar y presentar información / datos clave (documentos, mapas, eventos, evaluaciones y más) durante las emergencias

Además, agrega contenido y datos de otros sitios web (ReliefWeb, Humanitarian ID, HDX y FTS)

### MIDDLE EAST AND NORTH AFRICA

## ¿Quién maneja los espacios en HR.info?

- Gestión de equipo
- Operaciones y espacios clusters/sectores son manejados por “gerentes” - OCHA y clusters IMO's en el campo
- Para contribuir contenido, solicite acceso a los gerentes del espacio o [contáctenos](#)

The screenshot displays the HR.info website interface for the Mozambique cluster. At the top, there is a navigation bar with 'OCHA Services' and a search bar containing 'Search Mozambique'. Below this, a secondary navigation bar lists categories: OPERATIONS, COORDINATION, PROGRAMME CYCLE, TOPICS, and APPLICATIONS. The main content area is titled 'MOZAMBIQUE' and includes a sub-navigation menu with 'Contacts', 'Events', 'Documents', 'Maps/Infographics', 'Datasets', 'Offices', and 'Assessments'. On the left, there are two vertical panels: 'CLUSTERS' listing various sectors like CCCM, Education, Health, etc., and 'WORKING GROUPS' listing groups like Assessment & Analysis cell, Cash and Voucher Working Group, etc. The main content area features 'Featured content' with three cards: 'Idai - Two months after' (with a map and statistics), 'Idai - Latest OCHA Situation Report' (with a report cover), and '2018-2019 Mozambique Humanitarian Response Plan updated' (with a plan cover). Below these are two more cards: 'Cyclone IDAI' and 'Cyclone Kenneth', each with an 'OCHA Contact' box containing an email address.

## ¿Qué puedo encontrar en un espacio operacional?

- Una página principal que contiene la información clave.

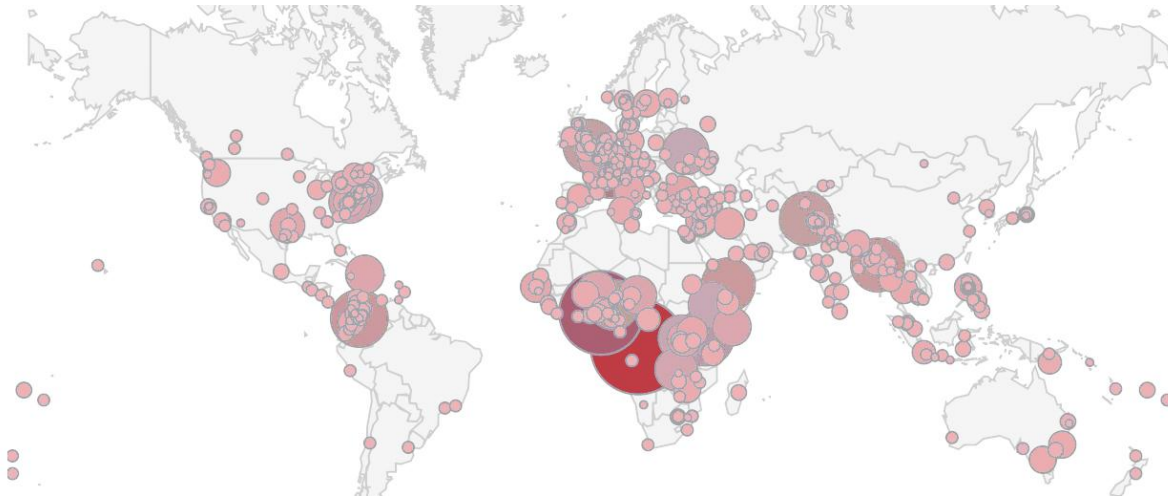

- Una barra superior que presenta los tipos de contenido disponibles en la operación

- Un menú lateral que enlaza con clusters, sectores y otras subsecciones

The screenshot displays the Humanitarian Response website for Afghanistan. At the top, there is a dark red header with the OCHA Services logo, a search bar, and navigation tabs for OPERATIONS, COORDINATION, PROGRAMME CYCLE, TOPICS, and APPLICATIONS. Below the header, a breadcrumb trail shows 'HOME / AFGHANISTAN'. A secondary navigation bar includes links for 'AFGHANISTAN', 'Contacts', 'Events', 'Documents', 'Maps/Infographics', 'Datasets', 'Offices', and 'Assessments'. A left sidebar contains two main sections: 'CLUSTERS' with a list of categories like Emergency Shelter and NFI, Food Security and Agriculture, Health, Nutrition, Protection, Child Protection, Gender Based Violence, Housing, Land and Property TF, Mine Action, and Water Sanitation Hygiene; and 'SECTORS/WORKING GROUPS' with options like Aviation, Inter-cluster, Information Management, Education in Emergencies WG, Multi-Sector, Community Engagement Working Group, and Cash Voucher Working Group. The main content area features a 'RESPONSE PLANNING' section with a 'HUMANITARIAN RESPONSE PLAN' document cover and a 'See more HPC documents' link, and an 'OCHA PRODUCTS' section listing updates such as 'Afghanistan: 2019 update to the 2018-2021 Humanitarian Response Plan - 21 Dec 2018' and 'Afghanistan: Humanitarian Needs Overview (2019) - 06 Dec 2018'. At the bottom, there are sections for 'HIGHLIGHT' (Conflict IDPs Interactive Dashboard) and 'GET THE LATEST UPDATES' (social media icons for MailChimp, Facebook, Twitter, RSS, and Email).

## ¿Dónde es utilizado Humanitarian Response?

---

- Humanitarian Response fue utilizado en más de 190 países \*
