

Ethiopia: 2018 HDRP Funding Update (as of 12 June 2018)

\$1.658b
Required

\$575m
Confirmed
contributions

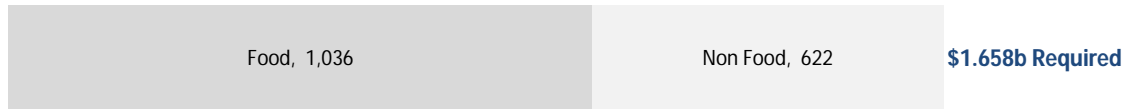

35%
funded

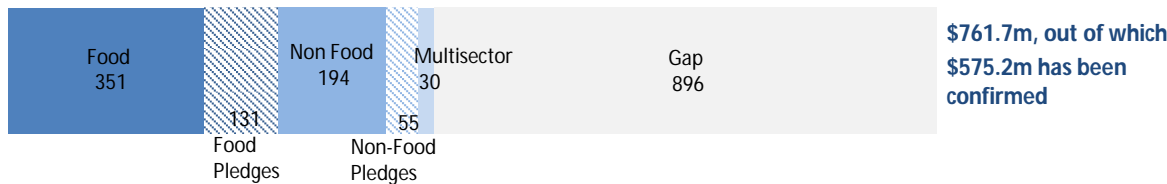

\$186m
Additional
pledges

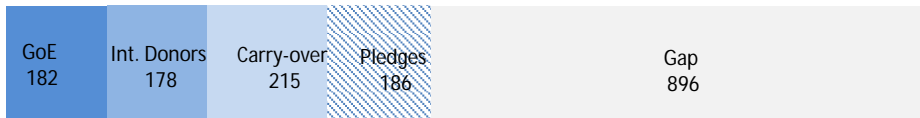

HDRP requirements - \$million

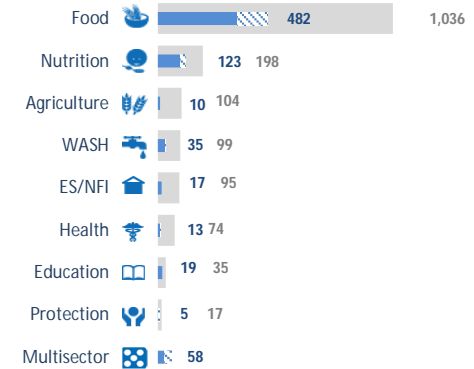

Official & expected contributions - \$million

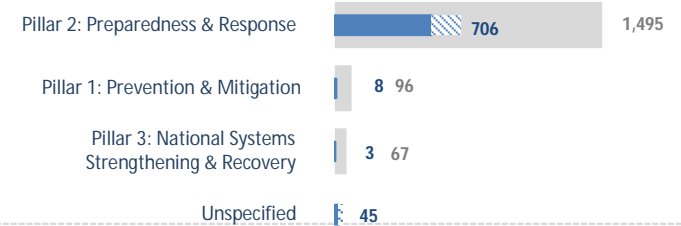

Contributions by source - \$million

Requirements and funding per sector - \$million

Requirements and funding per pillar - \$million

Contributions and Pledges by donor - \$million

Legend

- Requirements
- Contributions
- Pledges

Remark:

1. FTS - <https://fts.unocha.org/appeals/660/summary> - has tracked \$296.4m of humanitarian contributions to date. The main differences with the in-country funds tracking are that FTS deducts confirmed Government and development contributions from the overall requirements, excludes Government contributions and includes refugee response contributions in the humanitarian funding, and only captures carry-over resources partially.
2. For additional updates or any inquiries, please contact us at wosenyeleh@un.org and muhren@un.org
3. Sources: Donors, recipient agencies, clusters and FTS

2018 HDRP Funding (US\$) Status - Confirmed contributions summary table

Sectors	Requirements 2018	Carry-over from 2017	New Contribution	Total Contribution	Gap	% Coverage of the total requirement
Food	1,035,579,249	121,645,302	229,637,124	351,282,426	684,296,823	34%
Nutrition	198,255,194	65,087,196	33,965,118	99,052,314	99,202,880	50%
Health	74,000,000	6,046,813	5,871,166	11,917,979	62,082,021	16%
WASH	99,024,000	12,652,632	20,521,606	33,174,238	65,849,762	34%
Agriculture	104,363,825	2,712,770	7,588,662	10,301,432	94,062,393	10%
