Background

Utilizing a team of 111 enumerators, HNAP conducted a population assessment in north-west Syria on 22nd March 2020, collecting data at the community level which was then disaggregated by those displaced since **1 December 2019** as well as total IDP stock.

Newly Displaced*

*Displaced after 1st of December, 2019

Geographical Info

Disclaimer: Please be aware that displacement in north-west Syria is highly fluid; therefore, at any given time, numbers may significantly differ to what has been reported. CCCM and HNAP will continue updating figures to keep up with rapidly changing mobility dynamics.
