**Subject: CBE Costing Framework Implementation letter**

Dear Partners,

On behalf of the Ministry of Education I would like to express my appreciation to all the Development Partners and Implementing Partners for their support to education sector of Afghanistan, in particular for their role in CBE programs.

The purpose of this letter is to clarify the implementation schedule of the new CBE Costing Framework endorsed by CBE Working Group on December 17, 2018.

I would like to bring your attention to the following:

- All the existing CBE projects will continue as agreed with Ministry of Education
- All new CBE projects have to be developed in line with the new CBE Costing Guideline
- All the Development Partners are requested to make this framework as part of their funding proposals requirements
- Departments of General Education and Planning and Evaluation of Ministry of Education will have the joint responsibility to oversee the implementation of this Framework and implementation letter

All the partners are requested to officially communicate any challenges with the Ministry of Education in regards to CBE Framework implementation. Enclosed to this letter are the narrative CBE Costing Framework and a detailed Excel CBE Costing Framework.

Sincerely,

Dr. Mohammad Ibrahim Shinwari  
Deputy Minister of General Education
