- **SWG:** development of a framework on returns is being discussed at national level; CCCM Cluster is working on a check list for humanitarian-supported returns movements;
- **National POC meeting:** has not met recently

3. GBV guidelines implementation

- Training was conducted on the 4th April to CCCM partners on new global IASC GBV Guidelines on prevention and mitigation in CCCM

Action point:

- Cluster to review the tools and see what indicators could be added from the check list, or what indicators was lacking in the check list and bring feedback

4. Partners' Updates

IOM

- **Bor:** Verification exercise in Bor completed a week ago, 204 Individuals were verified.
- **Malakal:** rehabilitation of the site is in progress, but the population refused to be registered therefore, it makes it difficult to plan.
- **Bentiu:** there is increase of registration outside Bentiu POC, UNMISS told IOM that July 2016 will be the deadline for registration in Bentiu but discussion is still ongoing.

InterNews

- **Malakal:** Internews have acquired a plot allocated to them by UNMISS to build a studio which will be ready by the 28th of May 2016.
- **Malakal:** government officials stopped two staff from interviews to carry their work as journalist in Malakal for the reason that they are not officially registered with the government as NGOs, UN OCHA is following the case with the Governor.
- **Bentiu:** there is a slowdown of program in Bentiu as a result, Internews have only two broadcasting service per a week.
- **UN House:** in spite of communication difficulties, Internews is working together with UNHCR to explain significant of protection and how to use the desk to the IDPs.

DRC

- **Malakal:** relocation back into the main site from the Logs base continues; humanitarian hub move is underway
- **Melut:** further group of new arrivals (1200 individuals) came with a token issued by East Nile State Commissioner; has been a message on national radio from the government about not yet moving (Ministry of Interior); WFP mission visited the Commissioner to communicate on not including new arrivals into GFD, but is now “reviewing its policy”
- New arrival from Juba and other places is an issue; they are demanding Water, and the SWG discussed the terminology of how to call them, because it is not yet clear whether they are IDPs or Returnees?

Action point:

- Cluster to follow up again with OCHA on them also travelling to communicate with Melut authorities on not including new arrivals caseloads automatically into assistance based on their status, but vulnerability assessments to be conducted in the future if necessary

ACTED

- **UN House:** Potential relocation of POC1 Ext.2 assessment cost to be finalized
- **Bor:** usual activities
- **Mingkaman:** phase-out of CCCM and handover to RRC continues
