488K people reached hygiene promotion and hygiene kits

Notes: (1) This represents the number of people reached by multi-sector assistance across the country. (2) In 2021, \$1.48 billion was received for priority response activities in the Humanitarian Response Plan, while an additional \$152 million was received outside of the Plan. A significant portion of the funding commitments were received in the last quarter of 2021 and are yet to be translated into response activities. (3) People reached by the refugee chapter are included in the cluster totals.

Data sources: FTS as of 13 December 2021, Humanitarian partners, Inter-Cluster Coordination Team (ICCT). These numbers are subject to change as more information becomes available.
