In 2022, displacement due to ongoing conflict and natural disasters is continuing to drive humanitarian needs in Afghanistan. Almost **7.4K** people have left their homes this year due to fighting. Many of these people remain displaced across the country, as conflict and poverty prevent them from returning to their areas of origin. In addition to this, close to **508.6K** people have returned from neighbouring countries to Afghanistan so far this year including **462.3K** from Iran, and **46.3K** from Pakistan, while a small number also returned from Europe.
