TOPICS DISCUSSED

The main purpose of this meeting was to allow the new IMOs displayed to have access to data already available and share their plans:

1) Where are we on ward data in NE Nigeria
   - Borno had been harmonized
   - Yobe: shapefile of wards exist but has not been harmonized with INEC data
   - Adamawa: EHealth is still working on providing a shape file. Expected end of January.

2) IMWG Google groups
   - Group has been created (imwg-nigeria)
   - Allows to have discussion between the members and keep history of this discussion (https://groups.google.com/forum/#!forum/imwg-nigeria)

3) Distribution of COD/FOD
   - This was already distributes few weeks back. It is now available online at: https://docs.google.com/spreadsheets/d/1MHq_kYXbzFGzK3HlbbVy46vWEDhYF_qWHillwNApDD7wA/edit#gid=1359084048
