OPERATIONAL PARTNERS

217

Strategic objectives

1. Reduce morbidity and mortality, as well as suffering from protection threats and incidents, of the most vulnerable populations in areas with severe need

2. Facilitate safe, equitable and dignified access to critical cross-sectoral basic services to enable populations to meet their basic needs in areas with severe need

3. Enable vulnerable people to recover from crisis, seek solutions to displacement, and build resilience to acute shocks and chronic stresses through targeted programming to support coping capacities and livelihoods in prioritized areas

People in need, targeted and reached (2014-2020)

Funding required and received (2014-2020)

People targeted as a proportion of people in need, by area

Funding required (US$)
